GreatSchools.net is your objective source of school information on elementary, middle and high schools. A nonprofit organization, GreatSchools.net provides information about public, private and charter schools in all 50 states and detailed school profiles for California, Arizona, Texas, Florida, Colorado, New York, Washington, Pennsylvania and New Jersey.

<http://www.publicschoolreview.com/>

Public School Review lets you find free, detailed profiles of public schools and their surrounding communities. The site

evaluates schools relative to each other and to state-wide averages for several key criteria like teacher:student ratios. The site can be particularly helpful for families who are moving and need to evaluate several potential schools, or for all parents who are exploring different pre-college educational options for their child.

<http://www.bestplaces.net>

Sperlings BestPlaces is the ultimate resource for relocating or finding out information on specific areas in the US. In addition to in depth school statistics they also offer city profiles, neighborhood profiles, cost of living, climate profiles, crime rates and much, much more.

<http://www.schoolmatch.com>

SchoolMatch by Public Priority Systems, Inc. is a research and database service company that collects, audits, integrates, processes and manages information about public and private elementary and secondary schools.
